

Public Policy Priorities

Allstate is proud to actively participate in the public policy process in Washington, DC and each state capital.

As active corporate citizens, we advocate for ways to foster a healthy and robust insurance marketplace and promote solutions to benefit our customers and the communities we serve.

In Hawaii, our top public policy priorities are:

- Supporting industry guidelines for proof of insurance database
- Maintaining current minimum coverage and personal injury protection limits
- Fighting anti-consumer bad faith legislation

Protecting our customers

Serving our communities

Hawaii

Allstate: Bringing out the Good

The Allstate Foundation focuses its work in four areas:

Domestic Violence Program

We help empower domestic violence survivors to overcome abuse and to lead financially independent lives.

Youth Empowerment

We inspire youth across the country to give back to their local communities.

Disaster Preparedness

We help prepare communities for disaster by offering education, emergency plans and disaster preparedness kits.

Teen Safe Driving Program

We provide programs to educate new drivers and their parents about smart driving habits to help make the roads safer for all.

The Allstate Footprint in Hawaii

"We are privileged to have Allstate as our partner as we pursue our mission of providing safety, healing and freedom to victims of domestic abuse and sexual assault."
