

Public Policy Priorities

Allstate is proud to actively participate in the public policy process in Washington, DC and each state capital.

As active corporate citizens, we advocate for ways to foster a healthy and robust insurance marketplace and promote solutions to benefit our customers and the communities we serve.

In South Carolina, our top public policy priorities are:

- Promoting safe driving legislation
- Ensuring coastal property market stability
- Promoting a strong insurance regulatory system

Protecting our customers

Serving our communities

South Carolina

Allstate: Bringing out the Good

The Allstate Foundation focuses its work in four areas:

Domestic Violence Program

We help empower domestic violence survivors to overcome abuse and to lead financially independent lives.

Youth Empowerment

We inspire youth across the country to give back to their local communities.

Disaster Preparedness

We help prepare communities for disaster by offering education, emergency plans and disaster preparedness kits.

Teen Safe Driving Program

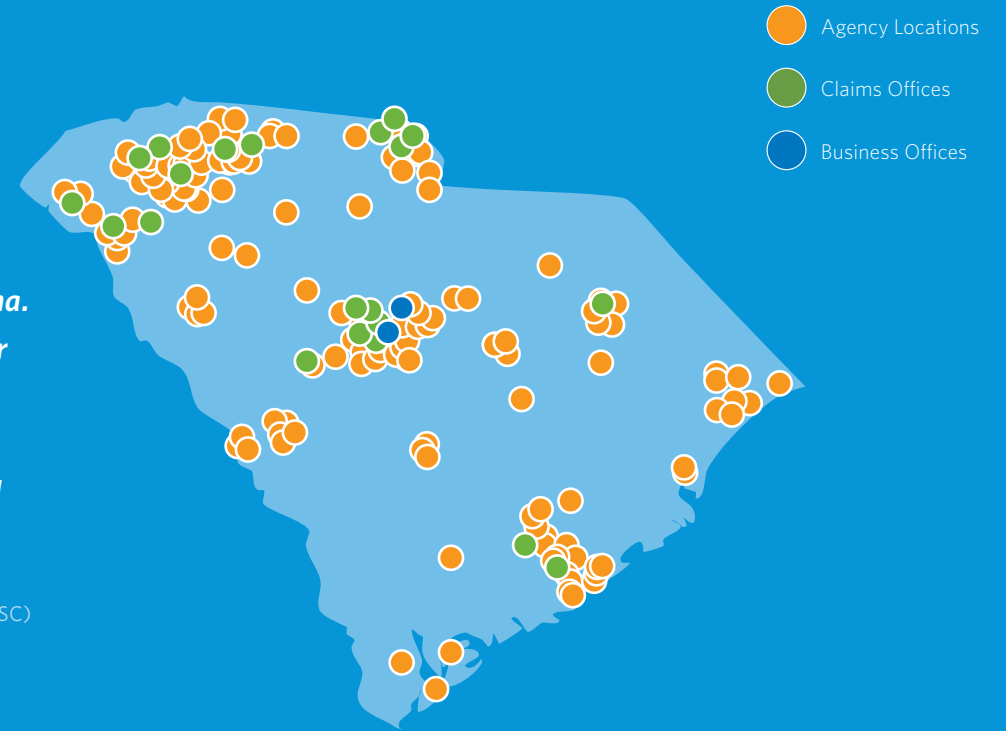

We provide programs to educate new drivers and their parents about smart driving habits to help make the roads safer for all.

"Thanks to The Allstate Foundation for their support of our programs in South Carolina. Together, we're keeping our community's kids healthy and active in after school programs, youth sports and so much more."
